## Our Mission

- ◆ To *unite individuals* having financial responsibilities in the construction industry;
- ◆ To *provide a forum* through which the Association's members can *meet to exchange ideas*;
- ◆ To *develop and coordinate education programs* dedicated to the purpose of improving the professional standards of construction financial managers;
- ◆ To *enhance the role and promote the image* of the construction financial manager; and
- ◆ To *be a recognized authority* on construction financial management.

*CFMA* provides opportunities for financial managers to meet and speak with other professionals having similar interests in the construction and real estate industries. *CFMA* fosters networking and education via local breakfast, lunch and dinner meetings; committee and board activities; local and national surveys and publications; and local, regional and national seminars and conferences.
